Data Points to Turning Points

TAILORED DATA PROGRAMS FOR YOUR SUCCESS.

HAI powers the AEM Market Share Statistics programs with iSTAT, our proprietary data exchange application, enabling manufacturers to report and access valuable industry and market share data—all included in AEM membership.

iSTAT PREMIUM SOLUTIONS

iSTAT API
iSTAT API provides enterprise-grade automation for seamless, secure data transfer to your internal databases—ideal for companies with IT resources to streamline monthly updates without manual input.

iSTAT DIRECT
iSTAT Direct offers one-click data refreshes directly in Excel or other tools, perfect for analysts needing seamless, on-demand updates in various formats.

iSTAT BI
iSTAT BI delivers AEM Market Share data through interactive Power BI dashboards, providing ready-to-use reports, visualizations, and KPIs for immediate, in-depth market analysis.

CUSTOM EXPORTS
iSTAT data can be tailored to fit the format and content in your data extract—saving analysts time and aligning data to meet internal requirements.

WHAT SETS US APART

Our industry-leading abilities in custom modeling and reporting transform industry insights into valuable tools that drive growth.

- ✓ Unmatched Customer Service
- ✓ Deep Industry Expertise
- ✓ Tailored Data Solutions
- ✓ Proven Technology
