### **AEM Antitrust Statement**

The exchange of many types of information between AEM members that concerns common problems is legal, proper, and essential to fulfilling the legitimate purposes of AEM. However, some subjects are not proper for discussion, either directly or indirectly. Antitrust laws preserve and promote free competition, the basis of a free market economy. AEM unequivocally supports the policy of competition and reaffirms its uncompromising intent to comply strictly in all respects with those laws.

### **AEM Policy on the Prohibition of AI or Other Tools During External Meetings**

Meeting participants are not allowed to use artificial intelligence software to take notes, record, transcribe, or reproduce any of the information shared during an official AEM meeting. As the trade association representatives, AEM staff are the only meeting attendees that are allowed to record the meeting for the purpose of taking notes and ensuring the meeting minutes are accurate.
